Life is Too Short
to wake up in the morning,
with regrets. So, love the
people who treat you right,
forgive the ones who don't
and believe that everything
happens for a reason.

If you get a chance, take it.
If it changes your life, let it.
Nobody said it would be easy,
they just promised,
It Would Be Worth It.

wisdom to listen. Of all the things that you wear,
your expression is most important. Success is
